Dear Attorney and Mrs. Allen,

Heartfelt thanks for the incredible generosity you showed at Christmas. Our office at Catholic Charities could hardly contain your kindness, and the spirit of your giving spread into many needy homes. By reaching out so generously to the poor of the city of Gary, you have provided to them not only material gifts, but support for their spirit as well, as they realized the love that motivated your giving. The personal touch of Mrs. Allen was apparent in the beautifully wrapped gifts. In the name of Catholic Charities, and in the name of the poor who benefited from your generosity, I thank you.

Gratefully,

Sister Barbara Sable, SS.C.M.  
Case Manager
