# Kenneth Allen Sponsors Youth Summit for Chicago South Side Youth

## Staff Report

**CHICAGO** - Injury Attorneys Kenneth J. Allen & Associates sponsored the **Youth Summit 2008** in Chicago's Washington Park on Saturday, August 23<sup>rd</sup>. The firm underwrote about one-third of the event's total costs, which was held in conjunction with 35 Chicagoland churches, the United Churches for Christ and the International New Vision Outreach Ministries (INVOM). The **Youth Summit** is a yearly event geared toward helping disadvantaged youth on Chicago's South Side refocus their lives.

Chicagoland job placement, outreach and city officials came together at the event to offer young South Siders positive alternatives to the streets such as after-school programs, employment opportunities, counseling services and guidance. Entertainment included a concert by local recording artist, *Platinum Souls*, the Nubian ensemble dance team and a tumbling group, Tumbling for Success.

Kevin L. Tuggles of INVOM said, "The breakdown in family structure in the inner-city has left many youths void of true family structure, morals, and values, leaving them to retreat to the streets and gangs for a sense of 'family belonging.' We must get together as a community to instill the values, morals, and hope in our youth,

while they are still in their most impressionable and formative years of life. We hope that these positive values will continue to be the driving factors in life as they mature.

Tuggles thanked Mr. Allen "for his sponsorship, contribution and support...your generosity will help us in our endeavors to help others."
