Dear Neighbors at Kenneth J. Allen Law Group:

On behalf of Dayspring Women's Center, we thank you for your contribution of \$2,500, which we recently received. This donation will help make it possible to continue to assist women from our community who are homeless or at risk of becoming homeless on their journey toward stability and wholeness. More specifically, we thank you for sponsoring our Scream Fest fundraising effort.

Support from you and others in the community is what makes this ministry possible.

Please keep this written acknowledgement of your donation for your records.

With deep gratitude,

Rachel Niemi, Psy. D., HSPP
Executive Director
