Re: *Safe Kids*

Dear Mr. Allen:

I wish to thank you again for your significant contribution last year in promoting bicycle safety and injury prevention here in Porter County. Working with our local emergency response agencies, service clubs, and bicycle shops, we were able to provide hands-on bicycle safety instruction, as well as, personally fitting over 750 children with free safety helmets, thanks to the contribution made by you and Kiwanis Clubs in Valparaiso, Portage, and Chesterton.

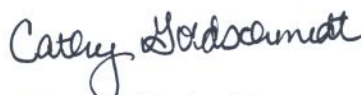

We are in the midst of planning three safety events to be held on consecutive Saturdays in May, starting May 4th at the above locations respectively from 10a-12p. A commitment from you in this area, would greatly assist us in reaching our goal of outfitting 750 children with safety helmets.

If you have an interest in assisting us, please feel free to contact me by Feb. 11th:
