Dear Mr. Allen,

Boys & Girls Clubs of Porter County cannot thank you enough for your recent gift of 200 bicycle helmets. At our Boys & Girls Clubs, we take safety very seriously – and we always talk to Club members about what it means to be safe, how to lead healthy lifestyles, and easy measures they can take to ensure their well-being. When someone from outside of our Club environment emphasizes this same theme, it truly makes an impact!

Our Club members from our Portage and South Haven Units were very excited to receive your gift. In fact, when we left the South Haven Club that evening, many of the Club members were still wearing their helmets while utilizing the computer room, playing foosball and ping pong in the gamesroom, and competing in dance competitions with the Wii game system! In short, you made each one of our Club members feel special – and they held onto that feeling by continuing to wear their new bicycle helmet long after it was placed on their head by you.

Again, thank you for your thoughtful gift. I encourage you to visit our Clubs at any time! On behalf of our boys and girls...

Most sincerely,

  
Ryan Smiley  
President  
Boys & Girls Clubs of Porter County

Thanks for All  
you do for our Clubs,  
kids and communities!
