

UNITED WAY OF PORTER COUNTY

50th Anniversary
AND CAMPAIGN CELEBRATION

1957 - 2007

MARCH 15, 2007

CELEBRATING 50 YEARS OF CHANGING LIVES...

THANKS TO THE 2006-2007 LEADERS IN GIVING

We gratefully acknowledge the following Leadership Donors. We recognize them tonight as members of the United Way of Porter County **Commodore Porter Society** at the Admiral Level. They are also local members of the national philanthropic group of United Way supporters known as the Tocqueville Society. This is the highest level of support among Leadership Donors.

Leaders in giving come from all walks of life. The most notable characteristics common to all those listed here are an exceptionally generous spirit, a desire to step forward and act on that spirit, and a well-placed trust in United Way of Porter County.

*By letting it be known that you care, you set an example for this community. **Thank you** for being a leader and showing the way to care.*
