Dear Ken:

I wanted to voice a special thank you on behalf of the First Judicial District Pro Bono Committee for your generous donation to help underwrite the Pro Bono Volunteer Recognition Night at the RailCats Stadium on August 30, 2005. We had the largest turnout in our three years of holding this recognition event. Over one hundred fifty (150) people were in attendance! Since you were unable to attend personally, I wanted to send you a copy of the program. Your donation is noted on the back page. I also was able to express a personal thank you for the benefit of those in attendance that evening.

A great time was had by all. I know our pro bono volunteers appreciated the recognition they received, which included awards to a number of them for their exemplary effort in providing pro bono services. Cordell Funk was especially appreciative of receiving this year's "Access to Justice" award and his acceptance speech was very moving. Again, all of this would not have been possible without your generous contribution.

Yours,

Enclosure
